LETTERS TO THE LOUNGE

Dear Club, I was out clubbing last month with my gal pals when we were lucky enough to be invited to join a group of celebs. I am not much up on my football, but my mates are, and they told me that some of the blokes were well-known footballers. Naturally, I was thrilled!

I went full out to make sure I got plenty of attention, and when they showed interest I was willing to allow their hands to wander wherever they wished. I saw two of the lads looking me over and gave them my friendliest smile.

They winked at one another and we sat together. One asked if I needed a lift home and I asked if he meant his home or mine. The two laughed at my reply, and, shrugging, said they were sharing a hotel suite.

Laughing, I responded that I was good at sharing too, and they looked at one another. Grinning, they invited me to spend the night. By then the rest of the party were leaving, and I did not bother with my friends as they seemed to be already hooked up.

It was wicked being picked up from the club by a limo and on the way to their hotel the lads played with me like a toy doll. Their hands were everywhere, and by the time we got to their hotel I was steaming hot.

The suite was opulent, and while I had stayed in a five-star hotel before I'd never been anywhere as plush as this. The lads had everything laid on and were swigging champagne from the bottles like it was beer. I joined in, getting off on the thrill of the

situation. In less than 20 minutes I was half naked, kneeling on the deep pile carpet as I jerked both their boners. I had seen this kind of scene before on porn DVDs but had never imagined myself in such a position. The fact is, I knew they expected it of me and I was delighted to oblige.

It really turned me on, and I began to suck on one big cock as I wanked the other. Both my lads were well hung and horny as hell, so it didn't take long before they tired of the tease and were ready to get down to business. Then one of them picked me up and laid me on the bed, spreading my legs and eating my saturated pussy, while the other one moved over my head, and, feeding his cock into my mouth, started face-fucking me in earnest.

I had never been with two fellas at the one time and it certainly was hard work. However, I had also never felt as hot as I did at that moment and I felt myself nearing an explosive climax as I gobbled on a big fat cock. I came hard, giving the guy who was licking me a mouth full of pussy juice, but just as I thought his partner was ready to squirt down my throat, he pulled out and

“I came hard, giving the guy who was licking me a mouth full of pussy juice.”

suggested to his friend that they “swap ends” and that he fuck me while I sucked his mate.

By now my pussy was aching for a big fat cock, and these guys seemed to be well used to working as a team. They knew exactly how to get my juices flowing, and for a while they caressed, pinched and prodded my nipples and pussy until I was begging them to get on with fucking me.

They positioned me on my hands and knees across the centre of the bed, and gently one of the guys pulled my hair back from my face so he could watch me sucking him. I licked my lips flicked my tongue over the top of his swollen cockhead. It was deep red and already seeping the clear fluid of

“My back dipped as I felt my pussy being stretched by a big fat cock...”

his pre-come. It tasted good and I lapped around his helmet, making him groan loudly.

I felt their cocks push inside my mouth and cunt almost at the same time. My back dipped as I felt my pussy being stretched by a big fat cock, and as he began to saw it back and forth inside me I began

sucking hard on the other fella's shaft. It was difficult to concentrate on giving pleasure while being so thoroughly fucked in doggie, but somehow I managed.

I made eye contact with the one in front, enjoying the look of deep satisfaction on his face as he began to shunt his cock harder. They worked at the same rhythm, shafting me in unison from both ends, and as my pleasure built I could see that the guy fucking my mouth was having a hard time stopping himself from emptying his balls. I

loved the realisation that I was exciting him like that.

Harder and faster they went at me, until my breath was coming in gasps. My pussy was clenching around the thick shaft which was giving me so much pleasure as I tried to take the hard thrusts of the other cock in my mouth. Then to my delight they both splattered their loads inside me just as I began to orgasm. My pussy pulsed as it went into spasm, and my whole body jerked, overwhelmed with ripples of pleasure which pulsed from my pussy right up to my mouth.

With spunk dripping from my pussy and my mouth, I rolled over onto my back to catch my breath as the lads, well satisfied, poured me more champagne and fed me chocolate truffles!

I had a night to remember and while the boys never called me afterwards (I hadn't really expected them to), I had such a great time that I would never reveal their names.

GEORGINA ♣

What a sight for sore eyes the captivating Georgina Law is, and with the recent request of seeing Miss Law's delights again from Gareth, London, we couldn't possibly overlook the blonde bombshell!

Gareth was all praise in his letter to us "You wouldn't believe the impact the gorgeous Georgina had on my 18-year-old self with her beautiful hot body! I merely had to think of her for a second before I was as stiff as steel! Boy did my arms ache that month."

MIELA 

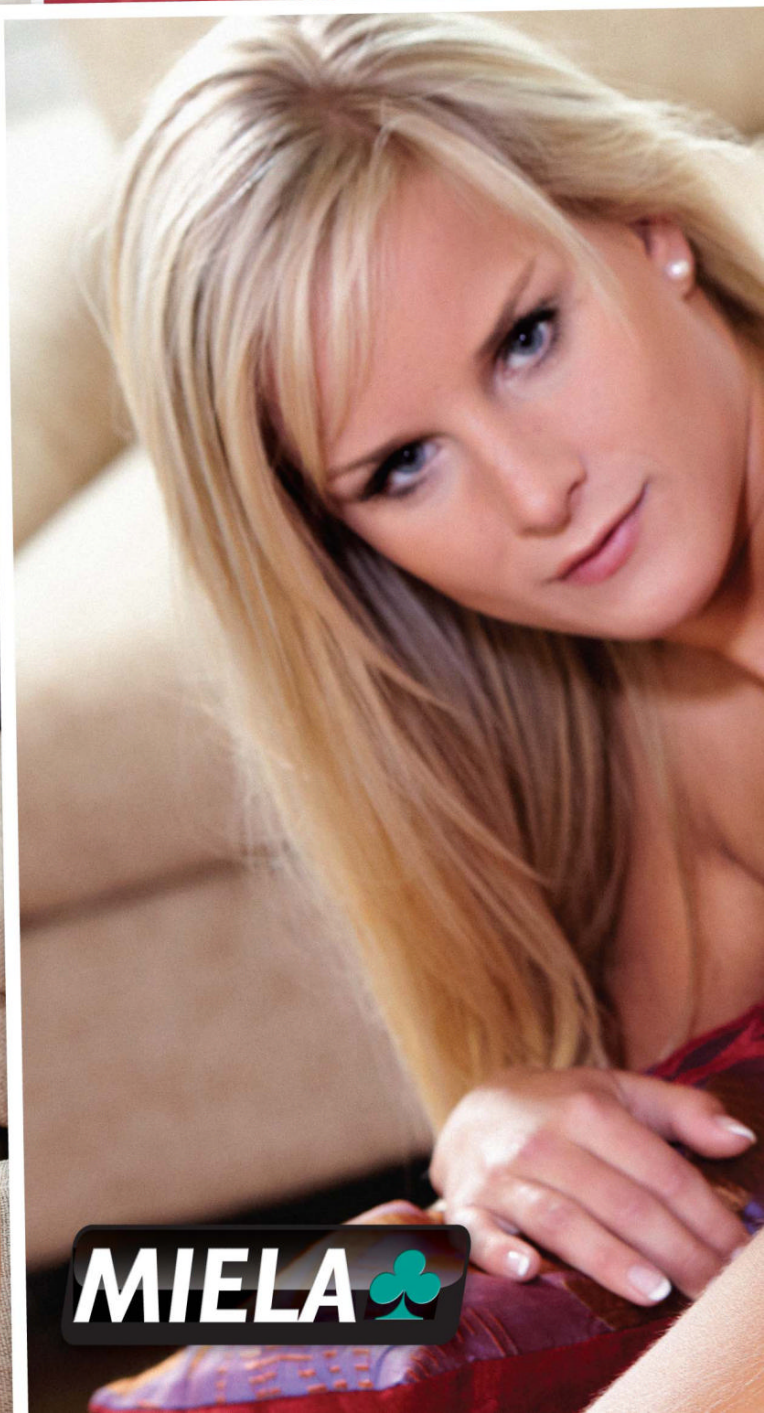

Casual beauty Miela can think of more than a few ways to relax, and between you and me some of them are downright filthy. So here's what the sexstress had to say when we asked her how she liked to unwind.

"With a dick in each hand preferably. Though one is good, you just can't beat having two to play with and knowing that you're going to be filled to the brim!"

Miela knows what she wants and who could possibly deny this saucepot her desires. ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

TWIN GLOBES

I'm most definitely a bottom man. For me, there is no greater sexual pleasure than to fondle and stroke the soft, rounded cheeks of a well-proportioned woman's arse. My latest girlfriend, Tara, is blessed with an especially fine specimen on her reverse. Although it is not especially large, her arse is well rounded, and it wobbles in a tremendously enticing manner when she walks. We met on the street about six months ago. She was walking ahead of me wearing a pair of cripplingly tight jeans, which showcased her enchanting rump to perfection.

As soon as I saw her, I realised that I would have to make an attempt to pick her up. On an impulse, I picked up a bunch of flowers, paid, and ran to catch up with her. My heart was thumping when I presented her with the flowers, fearing rejection. She took them graciously, however, and allowed me to walk with her as she made her way to the hairdressers where she worked. I flattered her and flirted with her shamelessly, and when I asked her out that evening, she accepted, and we arranged to meet up at a Chinese restaurant.

During the meal, she was playful, entertaining, and quite the little tease. Her

hand rested lightly on my thigh more than once, and when she stood up to go to the toilets, I lightly fondled her arse, and she did not move away immediately.

She had arrived in a taxi, so I offered to drive her home. When we stopped at the traffic lights, she leant over and kissed me, her tongue darting into my mouth. She kissed with passion, and when I reached up and took one of her tits in my hand, she moaned in my mouth and broke the kiss to open my zip.

Pulling out my cock, her mouth descended upon it. When the lights turned green, I drove on, and I spotted a deserted car park and turned into it, drawing up in the shadows. Her tongue felt heavenly wrapped around my erection, and instinctively I reached over and pulled her dress up over her lovely arse.

My fingers kneaded her fleshy globes as she knelt on the passenger seat with her arse cocked in the air, her head bobbing on my cock. Her wide, plush arse cheeks were smooth and pink, but the small black G-string panties she was wearing detracted slightly from the picture, so I gathered one of the strings and wrapped it around my finger. In a moment, the little piece of cloth was in my hand.

She raised her head from my cock in surprise, and I pushed her back into her seat

and spread her thighs to view her pussy. It was smoothly shaven except for a small stripe of hair. My middle finger slid easily between the slick folds of her glistening labia.

Tara reached for the hem of her dress and pulled it over her head, telling me playfully that she was not going to wait for me to remove it after what I had done to her panties. With her back to the passenger door and her legs spread wide, I leant down and buried my face in her beautiful cunt, clutching a bum-cheek in each of my hands. She tasted sweet as I rammed my tongue up inside her. Her groans of pleasure told me this lady was hot, and I ventured lower, trailing my tongue down into her arse-crack and tonguing her rose.

The powerful muscles in her arse cheeks contracted in my hands as I worked between her clit and her puckered ring. Sobbing with arousal, she gently shoved me back and straddled my lap, grasping my pulsing shaft and holding it to her cunt.

Slowly, she lowered her pussy onto my rod, and I felt the petals part as I started to enter her. My cockhead split her lips, and she shivered on my lap, her pussy contracting. I pulled one plump breast to my mouth and

“Holding the flesh firmly together, I sawed my cock along the deep furrow.”

delicious bottom cheeks as my flaccid member slithered out of her pussy. Her head rested on my shoulder, and the weight of her lovely buttocks pressed against my thighs as her pussy leaked onto my lap.

Understandably enough, the following morning I simply could not get her out of my mind, and before lunchtime I called her at work and asked her to spend the night with me. At lunchtime, I slipped out and bought some satin bed linen and scented candles for the special evening I was planning.

She arrived just after eight with a bottle of red wine. I uncorked it and led her straight into the bedroom. The curtains were drawn, and the only lighting came from the scented candles, which I had arranged around the room. A bottle of perfumed massage oil stood on my bedside locker alongside several large white fluffy towels.

Tara was suitably impressed at my efforts to create a seductive atmosphere, and, without any preamble, helped me to undress. I stood naked, watching her undress – my

sucked a flint-hard nipple as I cupped her arse cheeks. Meantime, she lowered herself further on my rampant prick.

With her eyes closed and an expression of ecstasy on her face, she moved around on my erection, still lowering herself slowly. Having reached the bottom, she sighed and took a while to appreciate fully the pleasure of being stretched and filled by my meat. Then she raised herself a couple of inches and slid back down, my hands steadying her as my fingers dug into the soft fleshy spheres of her rather delectable rump.

Tara came off extraordinarily hard – her

nails digging deep into my shoulders.

She caught her breath as her orgasm ebbed and planted a soft, deep kiss to my mouth. I had not cum, and she squeezed her pussy, clamping her vaginal muscles tightly around my cock. I held her hips to drive my rod deeper into her pussy. Slamming her down hard onto my rock-like penis, I accelerated our motions. She held me tight, then tighter still, until, with one final jerk, I was filling her as I shot thick jets of my spunk inside her twitching twat.

My hands were still gripping her

“She tasted sweet as I rammed my tongue up inside her.”

cock already at attention. With her every little movement her luscious tits and mobile nates juddered enticingly. She was wearing a pretty silk and lace panties and bra set, and her buttocks looked so inviting encased in the full panty briefs. My hands roved over her soft curves, and I stroked her beautiful buttocks through the fragile silky fabric of her panties.

My hands sought her large breasts, and I cupped them in my hands, teasing her hardened nipples through the delicate lilac lace of her underwired bra. I sucked her nips, dampening the fabric of her brassiere as my lips worked on her teats. Tara tossed her head, sighing deeply. Then, wrapping her arms tightly around my neck, she pulled me with her towards the bed.

Shaking my head to indicate that I would dictate the pace, I lowered her panties and began kissing her mound. She was gasping and oing as I tongued her slit. It wasn't really her pussy that I was interested in; it was – but of course – her beautiful, beautiful arse. So I turned her over and began to kiss the flawless skin on the soft slopes of her buttocks.

Tara loved this, and when I opened a bottle of jasmine oil and drizzled it over her back and down across her abundant arse flesh, she sighed with contentment. I massaged her back, relaxing her as I worked my way down to the fulsome flesh of her derriere. As I kneaded her nates, she raised her rump and attempted to push it back against my rampant penis.

I had spent all day preparing for this and I intended to do things my way, so I slapped my palm against her full cheek and told her to lie still. She giggled like a naughty child, wriggling her bottom defiantly and goading me to spank her more. I obliged, my palm splatting against her oily cheeks five more times, making her twin globes wobble deliciously as the snow-white surfaces gradually turned a pretty pink.

As a true bottom enthusiast, I pride myself on being able to deliver a proper erotic spanking, and this time was no different. My slaps were soft and evenly spaced, with each

one bringing Tara nearer to climax. I pistoned my index finger in and out of her dripping pussy as I swatted her rump, sinking my digit inside to the knuckle just as I delivered the final swat.

Tara came off like a wild thing, her pussy gripping my finger as her buttock muscles contracted with each rhythmic spasm of her clenching cunt. Having pleased Tara, I sought my own satisfaction, and, straddling her thighs, prised open her arse-crack, sliding my boner between her soft bum cheeks. Holding the flesh firmly together, I sawed my cock along the deep furrow, working up a rhythm as my body slid easily across the well-oiled surface of her welcoming buttocks.

Her cheeks were still warm from her spanking as I worked my penis between the soft pillows of her arse. With even strokes, I shafted the long crevice between her glorious fleshy globes, my cock gliding effortlessly as it became lubricated with the scented oil. It felt so perfect – and as my hands gripped her fleshy haunches and I began to cum off I rose up a little and splashed my copious load across her beautiful buttocks.

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

This Swedish miss has popped up in a lot of cracking films over the past few years, whether in her native tongue, or in big Hollywood fare. But her breakthrough role is in this year's excellent sci-fi film *Ex Machina*, playing probably the fittest robot we've ever seen. There are other sexy robots in the movie – you can never have too many – but Alicia is most definitely the standout, and one of the film's three leads. We just hope that all the spunk we've sent flying her way doesn't make her short circuit... ♣

KATERINA 

Now, Katherina may look like a nice girl but underneath she has a naughty personality that's always raring to go, as we found out, nearly to our peril.

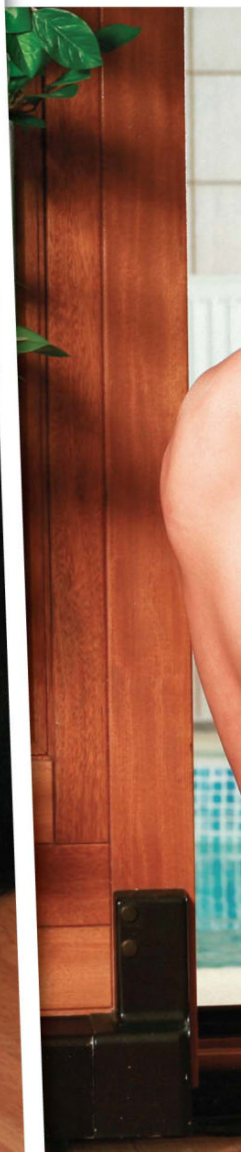

This lively lass enjoys a spot of swimming and is no stranger to skinny dipping on an evening, especially if there's a crowd.

"All those bodies weaving around in the water together tends to make an intimate environment, where boundaries can be pushed."

We're all for intimate environments, but when Katerina ambushed us into a quick dip, we didn't have the excuse of forgotten trunks. Oh well, all in a day's work... ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Fecal Flood

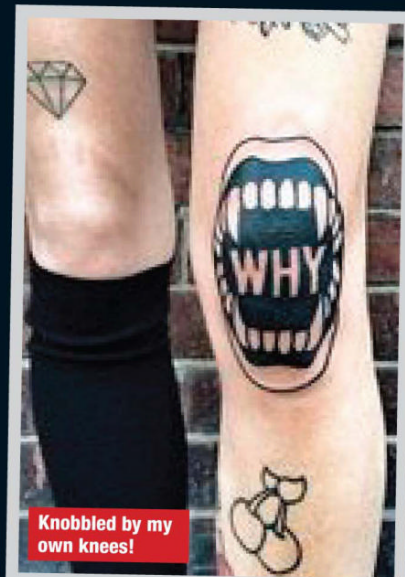

Porter potty to another universe!

There wasn't a nappy big enough to hold this accident. A highway in Arizona made a right old stink, when a sewage lorry hauling porter-loos swerved violently in a bid to avoid a barrel that fell from another vehicle. The lorry rolled scattering porter-loos in all directions, fortunately the loos where empty, unfortunately the septic tank on top of the lorry wasn't. Human feces and urine flooded the highway as the tank

spat out enough colon curry to sink your local dodgy Indian. The waste couriers managed to clean up the majority of the mess but the Arizona state department is still in two minds weather further sanitation is required.

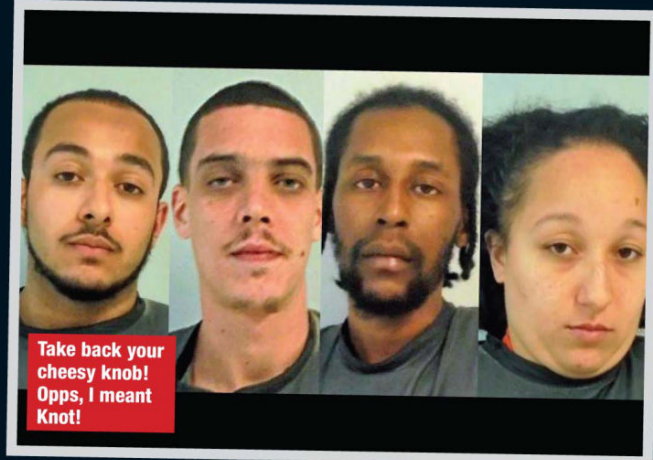

Knee Nibbler

Well, this is something to digest. 28-year-old, Lovely Robinson, has been charged with malicious wounding after using her nashers as a weapon on a Wendy's employee. The alleged incident took place after Robinson placed a food order in the drive-thru and was asked to pull forward as the order wasn't ready. The Wendy's employee brought the finished order out to Robinson who believed it to be incorrect and followed her inside demanding the order be corrected. A scuffle ensued where Robinson leapt over the counter, and the employee was bitten on the knee. Police arrived quickly to scene and arrested Robison, who isn't so lovely now.

Knobbled by my own knees!

Knickers in a knot!

Take back your cheesy knob! Opps, I meant Knot!

Garlic knots, for those of you not familiar with this Italian/American food item, just think dough balls that look like mini croissants, covered in garlic. Now who would have thought that such a small item could fuel a full on brawl? Well, four offenders spent the weekend on gaol after a fight a Palm Coast Pizza over these mini jewels. Jessica Conti, 25, became enraged after her garlic knots order came out with cheese on top. Conti's dough was refunded but she felt disrespected according to reports, so Conti and the three males she was with trashed the joint. Causing \$1000 worth of damage. The four perpetrators where later arrested.

Cassie is a naughty minx, and no mistake. It's all we could do to get her to keep her fingers out of her honeypot long enough for us to take some photos. We had to remind her constantly of the strict legal guidelines we work within – and bringing yourself off with three fingers buried deep sadly falls just over the line.

"Fine. I'll do a private show for you once you've got the photos you need," she says defiantly. And she does, because nothing can come between Cassie and her orgasm. ♣

FISH AND NIPS!

I've always fancied Derek from the chip shop; he is well-built and knows it, going around with his muscular arse squeezed tightly into black leather trousers. He's also the proud owner of a stonking great package permanently bulging the front of his tight trousers. The problem is that Derek is so fit he can have any bird he wants so the cocky bastard has a real big head.

Some time ago I got totally fucking rat-arsed down my local and while under the influence announced to the whole pub that I was "in love" with this fella and wanted nothing more than to suck his big cock. The next morning I was mortified when my best mate Lisa reminded me about it. For the rest of the week I kept my head down hoping that no one would remember my blind-drunken admissions. By Friday I had half-convinced myself that everyone had forgotten about the incident, though this was hardly very bloody likely, and I put on my glad rags and headed back down the boozer with Lisa. We had only just parked our bums on the barstools when Derek's cousin Nikki started to slag me off about Derek.

I was about to give her one in the tit, but the bleeding cow was with a mob of her mates so I just told her to fuck off because I had someone better than her big-headed cousin to do me. Like a pack of hungry bitches her mates kept needling me until it was really doing my head in, so Lisa and me buggered off for a drink somewhere else.

As we were walking along Lisa came up with a corker of an idea about how to get the bitches off our backs and let Derek know that I couldn't give a shite about him or his big dick. We called a cab and went to a lounge bar opposite the chipper to down a few shots to help get our nerve up. At closing time we went to the chipper and while Lisa queued for cod and chips I sat on the plastic seat facing the counter.

Derek ignored me, not even bothering to nod in my direction like he usually did. When Lisa returned with the food she sat very close to me, pressing her body against mine. We looked into each other's eyes and licked our lips sensuously as we fed one another chips from the plastic cartons. There were only a few customers sitting at the Formica tables as most had just stopped to pick up a take-away to soak up their skinfuls. Lisa ran a painted fingernail across my cheek and moved even closer to kiss me softly on the lips. Her hand, slipped between my legs, was moving slowly upwards, pushing in under the hem of my mini-skirt. I closed her eyes, no longer pretending, because the sensation between my legs was as exciting as any touch I had felt there before, and I eased my thighs apart.

"That's better, love," Lisa whispered and she slipped her hand slowly and gently further up between my thighs. I was breathing deeply now, waiting and wishing for Lisa's hand to touch my sopping cunt. Lisa's hands felt better than any bloke's, and when her fingers brushed against my gusset I was blown away. My back arched and as my pussy came alive with my orgasm. I couldn't hold back a moan as my body jerked and my juices flowed.

That got Derek's attention! I could feel him eyeballing us from behind the counter. We

“Her hand, slipped between my legs, was moving slowly upwards, pushing in under my skirt”

cooled things off a bit as some of the drunks started to take an interest in our activities. I had planned on leaving after we had given our little display, but Lisa had gotten me so hot that I began to imagine really getting it on with her and was trying to work out a way to handle it without her thinking that I was really just a dyke with no genuine interest in blokes.

The place was beginning to empty and just as I was about to reluctantly get up, Derek came over to our table with some fresh chips. The cocky prick had brought them to replace the ones that had gone cold having been neglected during our little show. This was the first time he had ever done anything like this and he even told us not to rush. We could stay – even though he was closing the shop.

Lisa winked at me and suggested that we keep the act up and that maybe I would score and have one over on the cows down the pub. Yeah, too right, I thought. Why

bleeding not? Derek said goodnight to the staff and locked the door and turned off the overhead striplights. The only lighting left was coming from behind the counter and the street lamps but it was still bright enough to see easily.

Derek busied himself behind the counter pretending to be counting the takings, but I could see that he was watching us closely. Lisa and I fed each other the rest of the warm chips, sucking them inside our mouths slowly and suggestively. Then Lisa slid off her seat,

and, kneeling between my legs and pushed my skirt up, she kissed my pussy through my panties, rubbing her nose in the musky dampness. With my heart thumping I reached for her large jugs, stroking them and pinching her nipples through her stretchy top. Lisa pulled my panties and tights down, and opening my legs wide I felt her full lips press against my gash. Her tongue began to lick my fanny flaps, softly at first, then teasing and poking my dripping hole.

She licked and prodded my clit, making wild little fuck-shocks jerk through my pussy. Then she stuck a finger inside my anus and began bum-frigging me. I groaned with pleasure as Lisa started to move her fingers and her tongue in a steady rhythm. I was cock-eyed with delight and as she worked faster and faster my back arched and I wailed involuntarily with the intensity of the climax.

It was a great shag, and when I was finished creaming I helped my best mate up, held her head and kissed her, forcing my tongue deep into her mouth. "Thanks, bitch," I whispered

in her ear and we kissed again, both really lunging in this time.

Derek began clapping and remarking that we were both top totty and that he had enjoyed watching us lezzing it up. We pulled apart, feeling self-conscious, and Lisa said that she had to get going. I was about to get up and join her when Derek pulled a twenty out of his pocket and, handing it to Lisa, told her to take a taxi home on him.

It was my lucky night! It seemed that I was going to get a shag from the stallion himself. With Lisa gone, Derek wasted no time in pulling his cock out. He was matter of fact about it and I gazed with respect at his great organ swaying stiffly in front of me. It was fucking massive – a good ten inches and as thick as a baby elephant's trunk.

"You must be joking," I told him. "I couldn't take a shagging from that."

"Yes you can," he said. "Come here, you big-cunted, prick-teasing bitch – come here and touch it. I know fucking well that that's what this is all about." With my heart hammering I got down on my knees, grasped the huge prick in both hands and rubbed the knobhead around my lips. Derek groaned and gripped the sides of my head, pulling my mouth over his swollen helmet.

My fanny was twitching and I was feeling more and more aroused by the huge, throbbing fucktube that was bloating my mouth. I could feel my pussy juices trickling down my thighs and a hot, desperate ache for his weapon in my cunt. I stood up and leaned back against the table and opened my legs. I wanted it now. I fucking needed it. I just fucking HAD to have it.

Derek ran his hands up the insides of my thighs, collecting the thick, cunt juices

"I got down on my knees, grasped the prick in my hands and rubbed the cockhead against my lips"

“His cock was soon free and I turned round and let him push his shaft all the way up inside me”

running freely from my excited hole on his fingertips en route. He rubbed it over his huge cock, and lifted my arse onto the table. Opening my legs wider, he told me: “Just relax... you can take it.”

His cock rested, throbbing and eager, against my pussy lips. I relaxed, opening my cunt wide, hoping that I could take it all. I was desperate to get some relief from the throbbing ache in my slot, and then Derek pushed it right in - stretching my vulva to the max. I felt so full and stretched as the firm throbbing cock pressing agonizingly against the entrance of my womb. I began to move; up and down and around on his massive throbbing pole which was giving me so much pleasure. I wanted more, I wanted it moving inside, pressing against my G-spot.

Derek began to pump his incredibly thick meat in and out of me, pounding my hot slot breathlessly. Instinctively, I hooked my legs around the shit's back, pulling the town bighead even further inside me. As he thrust faster and faster I pumped myself up and down on his shaft.

“Oh, shit! Oh fucking wank! Oh cunt!” I shouted as I writhed around on his whopping, pistoning cock. Pinching my tits hard Derek began to really pound my tormented pussy,

slamming his tremendous tool deep before retracting it and ramming it back in again. In it went, shafting me deeper and deeper. The sensation in my clit was ferocious. I felt like I was being fucked by a cave-man with a big wooden club.

My cunt was being bombarded so hard that when I came off my juices sprayed all over the place. With one almighty jerk Derek thrust down on me, grunting as his cock pronged me to its hilt, and we arched up in a mind-splitting moment of bestial, screaming pleasure as he blasted his fuck-cream inside my twat. Yeah, it was worth waiting for...

KNICKER MODEL

I'm a lingerie model. My boobs are too big for me to be a fashion model, but perfect for filling out the cups of some exotic new bra, and the same goes for my arse, which is perfect for curving from the rear of some knickers. Most of my time's filled with doing knickers for catalogues. This involves being in a studio with a photographer and fifty pairs of knickers, and we work our way through every single pair, just doing shots of my bum and hips. There's a little cubicle for me to get changed in, but it slows everything down, so I just step in and out of them there in the studio. My usual photographer's blasé about this, and is usually too busy changing film or taking a meter reading to notice.

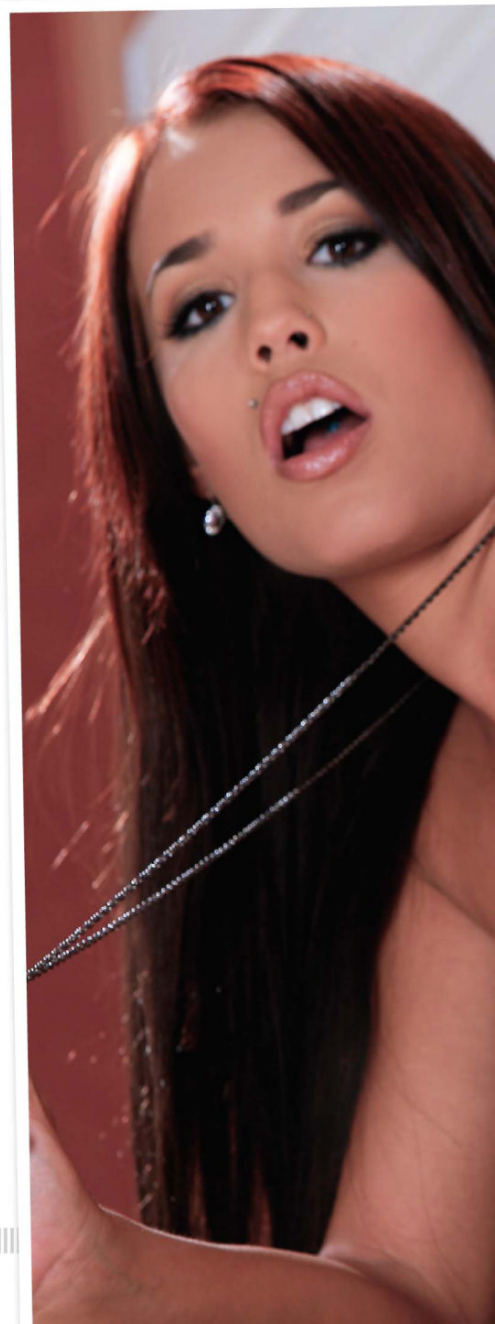

Last week, though, there was a new young guy doing the pics, and he was gobsmacked to get a sudden and surprising view of cunt between each pair of panties. It is true that my pussy-lips are a bit fleshy and stick out a

bit, so whether I faced him or faced away, he'd get a good glimpse of my rudest bits. Not that it bothered me. Well, it bothered him. Not more than five pairs into the shoot, I could see that Guy was getting a little tense in the trouser department - and very promising it looked, too. To tease him, I peeled off my knickers more seductively each time, and sometimes pretended to drop things, bending over to pick them up and showing him everything. I was getting quite horned up. I was wearing a pair of mid-blue ones when Guy shook his head.

“We won't be able to use these shots,” he said, approaching me.

“Why not?” I said, excited by his closeness.

To my astonishment, he rubbed his finger across the gusset of the panties. “Because

you've got them all sticky," he said.

His mouth was close to mine, and I couldn't resist kissing him. "I'm stickier inside," I said, and without further invitation, his fingers had slipped beyond my knickers right into my pussy. His cock was soon free, and I turned round, still wearing the knickers, and let him push his shaft all the way up inside me.

My tits were loose in a cut-off top, and his hands slid up to squeeze them. We were both so aroused, it was all over in seconds. I came noisily, my cunt clenching at his cock, and he responded by groaning his lovely, thick sperm all the way into me. When he pulled out, the cum drooled from between my fleshy pussy-lips and into the gusset. We wouldn't be giving those knickers back...

A Ladies boudoir has always been a mysterious place to a man, the things that go on behind those closed doors one can sometimes only imagine. So getting an up close and personal insight into Chloe Toy's place of slumber feels like a real honour. "I do spend a lot of my time in bed, in fact, it has to be my favourite place, though I'm not always sleeping when I'm tucked up that's for sure!" We're glad to hear it!
